

Miriam's Promise

Pregnancy, Parenting & Adoption Services

Dear Friend,

"The future belongs to those who believe in the beauty of their dreams." –Eleanor Roosevelt

At Miriam's Promise we have some big, beautiful dreams—dreams of continuing to offer a safe, judgment-free space for pregnancy clients to make a decision regarding their unborn child—dreams of continuing to ensure that children feel safe and loved—dreams of continuing to help prospective adoptive couples who desperately want to become parents—dreams of continuing to offer hope and healing to moms who are pregnant or parenting and are incarcerated.

We also have new dreams—dreams of creating new programs for undocumented children who have been separated from their parents—dreams of offering counseling to adopted children who are going through the transition of divorce—dreams of helping an adult adoptee search for their birth parents.

Will you help us turn these dreams into realities?

On Monday, September 24, I will join with over 100 golfers and volunteers to celebrate the accomplishments of the last year and look to the future where we can continue to ***ensure the well-being of the child by nurturing individuals and families.***

I'd love for you to partner with Miriam's Promise by sponsoring me in this event. Through this partnership, together we are able to share the story of Miriam's Promise and the work they do with children, pregnancy clients and adoptive families.
